All of the Spot-on Powerline range of lasers have Class II 'Blink Safe' lasers that meet AS/NZS Standards

Why Buy a LM2?

Simple to operate

Backlit screen

50m+ range

Calculate areas easily

Recall function

Built-in level vial

Reads in m, cm, ft & inches

The LM2 suits:

Anyone who needs to measure distances quickly and accurately

Trade Quality Products

LM2 Laser Measurer

Powerline LM2 Laser Measurer 50038

LM2 Laser Measurer

Code: 50038

The Powerline LM2 Laser Measurer is an easy to use, highly accurate measuring tool:

- Measure distances from 0.3m to 50m with an accuracy of +/- 4mm @ 50m.
- Use the LM2 to measure distances, length, heights and clearances.
- Suits difficult to measure situations: the Pythagorean Theorem mode allows indirect measurement.
- Calculate areas and volumes.
- Use in interior and exterior conditions.
- Easy to read numbers and backlit screen.
- Integrated bubble vial.
- Recall function allows you recall the last 10 readings.
- Automatic power-off function turns LM2 off after 5 minutes of inactivity for increased battery life
